

**FAQ\_0058**

**Module: FmFgSal (Material Dispensing for MFG)**

**Issue:** While Creating Dispensing slips, Material is showing as allocated.

**Solution:** First check the Material Requisition slip is generated or not. If generated, then in Material Dispensing slip you must select the Material Requisition slip no. then go to the next stage. If Material Requisition slip no. is not selected then in Material Dispensing slip is generated, some material may be showing as Allocated.
